## Overview

Suggested basic package  
Start with telephone and video.  
Upgrades are easy with Structured  
Wiring Solutions.

Product shown includes: ESWI1800,  
ESWD40800

From the most basic package to the most advanced, Structured Wiring Solutions by Eaton Corporation are completely customizable. Create a system with all the features and benefits from the very beginning, or start with the basic package and add on as your customer's needs change. Components are built to the highest quality standards with heavier gauge metals and because it's a built-in feature, Structured Wiring is visually unobtrusive.

Eaton also offers all the support documentation necessary to make installation quick and easy. All the information you would need is available 24 hours a day at [EatonElectrical.com](http://EatonElectrical.com)
